WHO WE ARE

ABLE SEAS (ABLE Social Enterprise Accounting Services) is a social enterprise start-up funded by ABLE (Abilities Beyond Limitations and Expectations Limited), a Catholic charity organization under Caritas Singapore dedicated to serving the physically challenged.

ABLE SEAS started out as a project in 2013 under ABLE to train and coach the physically challenged beneficiaries on accounting knowledge and skills with the objective of placing them under gainful employment. Effective from 31 March 2015, ABLE SEAS was registered with ACRA as a company limited by guarantee offering accounting, corporate services, payroll and related services.

ABLE SEAS seeks to be the Accounting Services provider of choice to the Charities Sector and beyond. Our mission is to work alongside disabled and vulnerable people to help them meet their basic needs, improve their lives and promote respect for their dignity and inclusion in a community of their choice.

WHAT WE DO

We hire and train people with disabilities affording them opportunities to work in a sustainable, productive and safe environment. We believe everyone has the right to live their life to the fullest and achieve their goals independent of the expectations of others.
